

# *ConocoPhillips Contributes To Woodlands Trail*

*Betsy Brien (left), of ConocoPhillips, recently presented Katie Brasted (right), President of the Woodlands Trail and Park, with a \$10,000 donation. Brien said the donation was part of ConocoPhillips' dedication to the preservation of pristine areas. Once completed the Woodlands Trail and Park will be located on an 80 foot tract around property the parish owns near Belle Chasse Primary School. The entrance to the park will be on F. Edward Hebert Blvd.*
