

WOODLANDS TRAIL

Stephen Fedele, left, holds a cypress tree he contributed to Woodlands Trail and Park before he and Katie Brasted, right, finalize the planting at the entrance sign. When Fedele moved from his home in St. Bernard Parish, he couldn't bear to leave behind the cypress that had been growing in his yard from a seed. He moved the tree to his mother's home in Jefferson Parish until his home in Plaquemines Parish was built. When his home was completed in Belle Chasse, he again dug up the tree and moved it to his yard. As the tree grew taller, he realized it had to be uprooted once again. After contacting Woodlands Trail and Park, both parties agreed that placement beside the entrance sign would be the perfect spot for the tree.

Newly elected Woodlands Trail and Park board members for 2010-11 are, front row, from left: Diane Roy, president; Jan Rice, vice president; and Rob Salus, treasurer. Back row: Guy Motsinger; Britain Westbrook; Dan Drelling; Heidi Poche', secretary; and Lee Dupont. The board is working on plans for the third annual Mississippi Riverboat cruise to be held on the afternoon of May 15. For more information, visit www.woodlandstrail.org.
