

Date: November 12, 2016

Site: Woodlands Trail

Volunteers/ Banders:

Emma DeLeon

Delaina LeBlanc

Jed Pitre

Warren James

Austin Culotta

Sarah Crawford

Casey Wright

Alexandria Yarbro

Time/Conditions: Nets were open from 6:45 until 1:00 under cool clear conditions.

Capture Summary:

We captured 3 new birds, and recaptured 1 White-eyed Vireo from a previous session.

We captured 3 species

White-eyed Vireo (2)

Ruby-crowned Kinglet (1)

White-throated Sparrow (1)

Notes:

While we didn't capture many birds we did catch some nice fall/winter species including the White-throated sparrow which is a slightly unusual capture for us. We also had an excellent group of volunteers!
