Organized as a land trust, Woodlands Conservancy was recognized as a 501 (c) (3) organization in 2001 to preserve and restore an ecosystem dedicated to creating daily public opportunities for recreation, ecotourism and education in a natural and historic setting. The vision of Woodlands Conservancy is to be the regional conservancy model for the conservation of hardwood forests, and a leader in the advocacy and preservation of Louisiana's coastal forest ecosystems.

Woodlands Conservancy currently manages the 609-acre Woodlands Trail in Plaquemines Parish including over 10 miles of trails that are free and open to the public from dawn to dusk. Ongoing projects include ecosystem restoration work on both Woodlands Trail in Plaquemines Parish and the Delacroix Preserve in Orleans Parish and the operation of Bird Banding Research stations in partnership with the Louisiana Bird Observatory .

Woodlands Conservancy Endowment Fund

HELP US GROW!

Please consider contributing to
Woodlands Conservancy's Endowment Fund at the
Greater New Orleans Foundation.

Join our efforts in
creating a legacy
for future generations.

*If you can help us achieve
the 2015 goal, contact us at
504.433.4000.*

LEAVE A LEGACY

When we conserve a property, it comes with the promise that it will be protected forever. The Woodlands Legacy Society is a very special segment of our membership who understand the importance of supporting the future of the land trust and are willing to help us keep that promise.

With almost 200 acres protected to date, our staff works diligently on caring for and monitoring our existing properties while focusing on new conservation opportunities. Annual giving from our members will always be important to our work – it is critical and greatly appreciated. By including Woodlands Conservancy in your estate planning, you provide the means for Woodlands Conservancy to remain strong, successful, and always here to preserve the lands that you love in Louisiana.

What better way to thank the people or organizations that have had an impact on your life, than to make a gift that carries into the future? Charitable giving is not only for the wealthy! Gifts large and small are important.

*Woodlands Conservancy is a 501 (c) (3), nonprofit organization.

WAYS TO GIVE

Each family's financial situation is unique and it is important that you work with your attorney or financial advisor to find the most suitable gift arrangement for you and your family. Woodlands Conservancy does not give tax or legal advice.

Gifts to the Stewardship Endowment Fund

Individuals may use many different methods to designate Woodlands Conservancy in their estate planning; what they share is a commitment to support continued conservation of forested wetlands and coastal lands.

Cash

Gifts of cash are fully deductible up to 50% of your adjusted gross income; any excess may be carried over and deducted for as many as 5 subsequent years.

Gifts of Stock

A gift of stock owned one year or longer generally offers two benefits: you receive an income tax deduction for the fair market value of the stock, and you avoid paying capital gains tax if the stock has appreciated in value.

Gifts of Real Estate

You may own a residence, vacation home, acreage or vacant lot that has no particular conservation value, but that has appreciated over the years and therefore, selling it would mean a sizeable capital gains tax. By donating such land (with the intention that it will subsequently be sold by Woodlands Conservancy) you may avoid capital gains tax and may also receive a charitable deduction for the fair market value of the property.

Deferred Gifts

Often referred to as "a painless way of giving," deferred gifts provide many donors an opportunity to make an even greater contribution to Woodlands Conservancy than they are able to do in their lifetimes. Types of deferred gifts include the following:

Bequests

You may name Woodlands Conservancy in your will in any one of a number of simple ways. An outright gift of cash, either a designated dollar amount or percentage of your estate, could be specified. Gifts of securities, bonds, real estate, or other property may be specified.

Elevation 1147 is always 100% Cabernet Sauvignon and a core percentage comes from the same block each year. The wine style is that of no other from David Arthur in that the structure is massive and full palate. The name Elevation 1147 comes from our location high atop Pritchard Hill.

TASTING NOTES:

Our 2013 Elevation is a massive wine with a dense deep ruby color offering aromas of spicy brambled baked fruit of blackberry and current, that transition to earth driven aromatics of forest-wet soil, cocoa nibs, and spice tones like wild sage/bay laurel, bergamot/black tea and hints of cedar. The palate is rich, broad and fleshy with a seductively fine grain, yet rigidly built texture finishing with baked cherry, licorice candy and persistence. Best from 2016 to 2036.
