

Scavenger Hunt

WOODLANDS
CONSERVANCY

There are so many really cool things you can find while walking in the forest. See if you can find all of these wonderful things on your next adventure to Woodlands Trail. Try to stay quiet as birds and animals will move away from loud noises.

Do the Scavenger Hunt with a friend or family member and see how many you can find. Remember to look high and low and along the water's edge.

- Bird sitting in a tree
- A tree smaller than you
- Turtle
- Leaf
- Acorn
- Bumpy bark
- Ants walking in a row
- Fern
- Bird flying over water

- Feather
- Body of water
- Bridge
- Butterfly
- Armadillo
- Alligator

Did you know?

Some birds and animals move to other parts of the world to feed and rest when it gets too cold or they can't find food.

What else did you see?

A large, empty rectangular box with rounded corners and a dotted border, intended for the user to write down what they saw during their scavenger hunt.
