Woodlands Conservancy – 3 Positions – Natural Resource Steward

www.woodlandsconservancy.org

Woodlands Conservancy (ofc.)

1500 Woodland Highway

Belle Chasse, LA 70037

Woodlands Preserve (site)

449 F. Edward Hebert Blvd.

Belle Chasse, LA 70037

Position Description:

Members will participate in forest restoration and habitat enhancement through a variety of activities including but not limited to the following:

- Maintaining and enhancing Pollinator Garden
- Assist with vegetation surveys and establishing survey plots
- Preparing targeted restoration sites by clearing debris e.g., weeds, dead vegetation, briers, fallen logs, etc.
- Gathering tree protectors and weed barrier within restoration sites that are no longer protecting a seedling/tree.
- Spot spraying emerging invasive vegetation under the direction of a Louisiana Licensed Applicator.
- Spreading mulch around trees in restoration sites.
- Planting native tree and understory vegetation
- Assist with volunteer and educational outreach activities
